It looks like the last revision cuz it includes Mike Steele's inserted
paragraph (still redlined) on page one (I didn't check any further than
that). The figure would have been attached to the same email, but here it
is again ... let me know if it doesn't come through and I'll resend via
Webmail... many thanks, Lori

Hi Lori,

I have attached the last revision we have (I believe it is the one you
emailed
me 4/20). Although, I have not seen a revised Fig. 2. Could you forward that
to
me?? Please confirm that this is the current version you want filed, and
I'll
file it this week.

Thanks,

-Jessica
